Key Assumptions

- Shipment volume grows 10% in FY2026, including the opening of WH-SAV-01 in March 2026.
- The Phoenix site WH-PHX-01 operates until the end of Q3 2026.
- The merit increase budget is 3.5% of base payroll, plus 1.0% for promotions.
- The starting wage for Dallas warehouse associates rises to $19.75 per hour from 2026-01-01.

IT Budget Notes

The IT increase funds the laptop refresh program, the WMS upgrade at all sites and two new security engineers. Software subscriptions (GL-6320) rise by 12% because of the move to the new identity provider and phishing training platform.

Spending Controls

Department heads must stay within their budget. Spending above budget requires CFO approval under the Delegation of Authority and Signing Policy. Finance publishes monthly budget-versus-actual reports by the 10th business day of each month.
